

What is *OrthoMasterminds*?

OrthoMasterminds is the complete learning solutions portal for the Orthodontic community.

The *OrthoMasterminds* Facebook group provides the opportunity for professionals in the Orthodontic community to ask questions and get answers directly from the community. This is an opportunity to collaborate with your colleagues as we passionately strive to provide a better experience for our patients. Join the conversation [here!](#)

AND NOW

We have taken this community tool to the next level with the launch of the *OrthoMasterminds* website. It is the educational tool of the future. On the website, you can become an actual industry educator right from where you are, you can take AGD/PACE certified classes to earn your continuing education credits right from your computer, and you can register for and attend live and recorded events from industry experts on specific topics.

OrthoMasterminds Collaboration

Right from your own phone or device, you can become an industry educator and share the wealth of experience and expertise you provide to your patients and in your office with the entire Orthodontic Community. You can do this all for free and with all the credit going directly to you. Share your knowledge and gain from others. Simply record and submit ... that's it!

OrthoMasterminds Education

If you are not moving forward, everything will pass you by!

This has never been truer than in our industry today.

Continuing education can be very expensive and very time consuming for practices. *OrthoMasterminds* has changed the process for you. Learn and earn CE credits right from your computer and in your timing. Stay ahead of the curve!

OrthoMasterminds Virtual Consulting

By far, the most exciting part of *OrthoMasterminds* is the introduction of the Virtual Consultant.

The Virtual Consultant allows you to have access to *Shimmin Consulting's* vast amount of material for all of the positions within your practice, along with training videos for you and your staff to implement this material on your own time and at your own pace; changing the foundation of consulting in today's industry. The launch of the Virtual Consultant will help to set you and your team on the right track with the right processes and the right foundation for a successful patient centered practice. You can accomplish all of this in a way that works for you and your practice. Of course, help from our live consultants is just a click away.

In addition you'll have access to the following manuals:

**TREATMENT
COORDINATOR**

**SCHEDULING
COORDINATOR**

**FINANCIAL
COORDINATOR**

**OFFICE
MANAGER**

**HUMAN
RESOURCES**

**GROWTH
MANAGEMENT**

OrthoMasterminds Events

There is always a desire to hear directly from experts in the industry on topics that are challenging in the practice. *OrthoMasterminds* will bring those industry experts right to you. No more waiting for the next event in your area. Look at our events schedule and join them live to learn and ask questions. Have access to past events to go back and hear from many industry experts.

OrthoMasterminds Marketplace

OrthoMasterminds has selected some very helpful tools to enhance your practice. Browse our catalog below for the products you need to make an impact for you and your team. Items from industry books, marketing manuals, letter templates, and scripting to financial summary worksheets will help your practice get on track with goals, and stay on track.
